Practical tests having fully demonstrated the

Practical tests having fully demonstrated the superiority of this machine over all chers for the purpose of sinking Oil Wells, the undersigned is now prepared to receive orders for the same.

This machinery comprises everything requisite for the boring of oil wells excepting the STEAM ENGINE AND CAST IRON DRIVING PIPE, (but will be furnished, if desired, at a reasonable price,) and dispenses with the use of the derrick rope, bull wheel and other cumbrous and expensive fixtures now in use, and is so arranged, being constructed on wheels and portable, that it can be easily removed for the purpose of sinking wells in different localities.

The detritusis removed from the well by our patent hydraulic process, and does not require the removal of the drill from the boring. This process not only removes all the detritus in from 5 to 10

minutes, but likewise effectually clears out and opens all the small oil veins that are so often en-
